Discount hotel rate available for out of town guests. For more information, contact [melody.iffland@aepnetworks.com](mailto:melody.iffland@aepnetworks.com).

AEP Networks® and PrimeKey® Solutions cordially invite you to join us for a session of informative presentations focused on how to ensure data confidentiality and integrity with authentication, identity, and access authorization solutions while efficiently managing support costs.

Attendees will learn how proactive management of identity-based security encryption keys can solve their most difficult data protection problems without being a burden on resources. Experts will discuss proven strategies for securing data and reducing risk while developing efficient security-centric business processes.

### **Agenda:**

10:30 a.m. – 11:00 a.m. Registration and Beverage Service

11:00 a.m. – 11:15 a.m.

#### **Welcome**

Pat Donnellan, CEO  
AEP Networks

Konstantin Papaxanthis, CEO  
PrimeKey Solutions

11:15 a.m. – 12:00 p.m.

#### **Guest Presenter**

**bgc**

#### **Success Story: Swedish BGC Becomes Leading Solutions Provider with Managed PKI System**

**Gunnar Claesson,  
Business Area Manager, PKI  
BGC**

BGC AB offers products and services for clearing of payments, transfers, electronic invoices and security on the Internet in Sweden. Guest speaker Gunnar Claesson will discuss how BGC's managed PKI system provides secure identities to 1.5 million users for online bank transactions, as well as enforcing secure self-service for accessing public authorities including Tax and Social Services Departments. *Followed by Q&A*

12:00 p.m. – 12:30 p.m.

Luncheon - "New York Deli" Service

12:30 p.m. – 1:30 p.m.

#### **Encryption Management: Use Cases from Enterprise Environments**

Fergal Murray  
AEP Networks

Admir Abdurahmanovic  
PrimeKey Solutions

Speakers will explore the use of hardware security modules (HSMs) in today's enterprise as well as compelling, real-world implementation examples, followed by a look at how HSMs work with OCSP Responder, Certificate Authority and related Digital Signature Solutions. You will see concrete examples covering areas from key management to efficient, robust and cost-effective document protection."

1:30 p.m. – 2:00 p.m.

Q&A / Raffle / Wrap-up
